Fez, Palais Royal, Valencia, and Venice, individually designed to transport a room into a stunning custom presentation.

Drawing its character in part from Old World tapestries and fabric prints, and French parquet and ancient stone flooring, each mosaic is truly a one-of-a-kind work of art.

Kibak

Brilliant color, range of design and custom options are the hallmarks of Kibak ceramic tiles. There are three distinct styles, Andalusia, Euro Classic and Malibu. The glazes are pooled in a dry line pattern creating graphic contemporary and traditional designs. The tile is available on a frost proof body for exteriors and pools. Some glazes are suitable for floors and design options available include murals and tile *rugs*.
