ANN SACKS® PRESENTS CAPRICCIO

PORTLAND, Ore. (February 1, 2010) - ANN SACKS, a premier manufacturer and distributor of tile, stone and plumbing products presented its successful Capriccio at INSPIREDESIGN 2010. Developed in Portland, Ore. by ANN SACKS' own designers and artisans, Capriccio is part of the company's signature ANN SACKS COLLECTION series of handmade ceramic art tile programs. Capriccio extends the same handcrafted quality embodied by the rest of the ANN SACKS COLLECTION, but its simplified color palette and format options allow it to be offered as an in-stock and more affordable selection.

Recommended for bathroom and kitchen areas, Capriccio is suitable for all indoor vertical wall installations and light floor applications. The tile is available in white, antique white, pale green gloss, dove, sky blue gloss, soft yellow gloss and black gloss and is offered in 3x6 and 4x4 field sizes with a complementing assortment of moldings and trims.

Founded in 1981, ANN SACKS has built its reputation with inspiring designs in tile, stone, plumbing, lighting and accessories. Based in Portland, Ore., the company is a division of the Kohler Co.
