ANN SACKS® SOLEIL BRINGS TO LIGHT MULTIPLE OPTIONS, MAXIMUM RESULTS

PORTLAND, Ore. (April 26, 2011) – ANN SACKS, a premier manufacturer and distributor of tile, introduced Soleil at the 2011 Kitchen and Bath Industry Show in Las Vegas. Versatile with a unique, 6x18-inch format, Soleil, which by definition means *sun* in French, is a handcrafted ceramic tile that features a warm, earth-tone inspired palette and illuminated, textural glazes.

Soleil is expertly executed then finished in a choice of glazes – subtle crackle, high-sheen gloss or matte – which can be mixed or matched for an ultimate *shadow-and-light* effect. Exclusive to ANN SACKS, Soleil is offered in six colors: Cream Gloss, Gray Crackle, Linen Crackle, Taupe Crackle, White Gloss or White Matte. The tiles can be used in all indoor wall and light use flooring as well as being suitable in wet areas, such as showers dependent upon method of installation.

Founded in 1981, ANN SACKS has built its reputation with inspiring designs in tile, stone, plumbing, lighting and accessories. Based in Portland, Ore., the company is a division of the Kohler Co. Interiors Group, a wholly owned subsidiary of Kohler Co., which also includes Kallista plumbing, Baker Knapp & Tubbs, Inc., Baker furniture, Baker Knapp & Tubbs Showrooms and Baker Stores, McGuire Furniture Company, and Mark David hospitality furniture.

Founded in 1873 and headquartered in Kohler, Wis., Kohler Co. is one of America's oldest and largest privately held companies. Kohler is a global leader in the manufacture of kitchen and bath products, engines and power generation systems, cabinetry, tile and home interiors, and international host to award-winning hospitality and world-class golf destinations.
