

Wilshire resin bath accessories have a complex carved honeycomb design that gives this collection a distinguished aesthetic. The dark espresso color serves as a gorgeous accent to a variety of natural stone tile and the handcrafted nature creates a beautiful and subtle organic quality.

### Maintenance & Important Considerations

- Hand wash with mild soap and water.
- Product is not dishwasher safe.
- If resin becomes scratched or slightly frosted after multiple washings, rub with a few drops of vegetable or olive oil using a soft cloth and wash with mild soap and water to restore luster.
- Never use abrasive cleaners on resin.
- Wilshire is made of food-safe resin.
